INNOVATION : a new easy-to-assemble and completely modular rack. It is customizable with multiple dimensions and additional accessories are available. It can also be used for in-store advertising!

### EASIER STORAGE

The new VARIO rack allows the user to assemble it very easily. The wheels are easily clipped and can be changed without the help of a technician. The rack is delivered flat and disassembled for optimal storage.

### ADDITIONAL SPACE

The VARIO rack can be furnished with many accessories to save space in the workplace: tool for drying mats and flexible moulds, retractable worktop, hanging storage box, etc.

### GREATER VISIBILITY

The VARIO rack is completely customizable with in-store advertising. It becomes a great communication tool: promote information, display graphics, etc. It is also perfect for showrooms and stores!

600x800mm format (also available in 600x400mm format)
